Why do so many sincere believers remain stuck—despite years in church, therapy, or recovery programs?

Because behavior modification is not transformation.

True freedom begins deeper.

FROM THE BACK COVER OF THE BOOK

LESLIE AND DEBBIE GREGORY

"For Debbie, who taught me to listen beneath behavior."

"I have watched grace do what discipline alone never could."

TRANSFORMATION OVER AFFIRMATION

by Leslie Gregory

Forty years of walking people out of shame and toward freedom. This is the book that came out of those rooms.

PAPERBACK · HARDCOVER · AUDIOBOOK

THE MAN

Forty years of walking people home

A West Texas ranch boy who became a pastor. Four decades walking with people through addiction, shame, and the slow work of renewal. Today, Recovery Groups Pastor at Lakepointe Church in Texas.

> *"I have never stood above that process; I have stood inside it."*

- Pastor for more than forty years
- Recovery Groups Pastor, Lakepointe Church
- Husband to Debbie, father, grandfather

THE BOOK

Behavior is the fruit. Identity is the root.

It begins one summer in Ocean City, with a young woman who could not take a compliment. Her trouble was never her behavior. It was a sentence her father repeated until she believed it.

Trying harder never reaches that deep. Adoption does.

"You did not receive the spirit of slavery to fall back into fear, but you have received the Spirit of adoption as sons." ROMANS 8:15

Grace stabilizes. Truth corrects. Time rewires.

I	Exposing the Distortion
II	Understanding the Bondage
III	Interrupting the Cycle
IV	Living a New Legacy

WHY IT MATTERS

Why this book will reach so many

It is for people who know the truth and still feel stuck.

It makes recovery everyone's word.

"Recovery was not for 'those people'; it was for all of us."

It is honest.

Leslie tells his own story, including the day he said, "I have not been living in the light."

It gives you something to practice.

Reflection and prayer close every chapter.

It reaches your children.

"Transformation is possible... because identity can be restored."
